OVERVIEW: ADS FOR YOUR LISTINGS

Start in LuxeXchange at xchange.luxuryportfolio.com

Luxury Portfolio International® has joined forces with Adwerx to help you create elegant, co-branded banner ads targeted at people looking for properties like yours.

YOUR BANNER ADS WILL ALLOW YOU TO:

ADVERTISE ON THE ENTIRE WEB

Your ads go where people spend their time online, including Facebook and hundreds of top websites.

TARGET ADS TO THE RIGHT LOCATIONS

Geographically target people near the listing address or enter your own cities to target.

SO WHAT'S THE COST?

By ordering through Luxury Portfolio, you get a special 15% discount

One listing banner ad, which runs for 3 weeks is only \$110 Watch for our Flash Sale for even greater savings!

*Due to the GDPR, this product is not accessible in the European Economic Area (EEA). Banner ads will not serve to consumers in the EEA.

FIND PEOPLE LOOKING FOR **REAL ESTATE**

Adwerx looks for people browsing real estate related sites and shows them your ad, even once they've left those sites!

BUILDING AN AD FOR A LISTING

STEP 1: LOG INTO LUXEXCHANGE

Select Toolbox > Listing Banner Ads > Place Order

REPORT SECTIONS & DEFINITIONS Definitions are in alphabetical order

Additional Coverage: A list of the syndication partner websites where Luxury Portfolio listings appear.

Average Photos Per Listing: Average number of photos on the listing detail pages of active listings on luxuryportfolio.com.

Average Time Per Page: The average length of time visitors spent on the listing detail page.

Direct Links: These are the internet properties that have inbound links to your listing detail page. Links can help influence page ranking in search results. Please note, we are not responsible for any content outside of luxuryportfolio.com.

Global Reach (Map): A heatmap of visitor locations. Intensity of color corresponds to the number of visitors.

Global Reach by Region: The visits to the listing detail page broken down by geographic location.

Global Traffic: The most recent language and currency views of the listing detail page.

LuxeNetwork: The additional exposure from luxuryportfolio.com (formerly impressions) and/or traffic on other affiliated syndication partner sites.

Marketing Time Statistics: Number of days the listing has been available on luxuryportfolio.com compared to other Luxury Portfolio listings.

New vs. Returning: The visits broken down into new visits vs. visitors who have previously viewed the property.

Pricing Analysis (Avg. Prices): Price comparison of Luxury Portfolio listings in the same market, company/broker and across luxuryportfolio.com.

Property Activity: The visits to the listing detail page and the data from the LuxeNetwork.

Report Summary: The summary is a snapshot of the information contained in the report along with listing details.

Traffic Source: The origin of the traffic to the listing detail page.

PORTFOLIO INTERNATIONAL®

Visits by Currency: The currencies in which the listing detail page was viewed.

Visits By Device Type: The percentage of visits broken down into three device types; desktop, mobile and tablet users.

Visits by Language: The languages in which the listing detail page was viewed.

Find these definitions in LuxeAnalytics using a tool tip. Simply, hover your mouse over the icon for information about the report section.
